2006 MICHIGAN WEEK COMMUNITY ACHIEVEMENT AWARDS

Michigan Week, a unique annual event dating back to 1954, celebrates the Great Lakes state as the perfect place to live, work and raise a family. The annual Michigan Week awards program pays tribute to one of our state's greatest assets — the dedicated citizens who give of their time and talents to better their communities.

The **Community Achievement Award** is presented to a community for an outstanding project or program that not only enhanced the community's image but also came about through the mutual effort of many of its citizens.

- ❖ A community is defined as a city, village, township or county in Michigan.
- ❖ Nominees may be a single entity or a series of some longevity, but should not be incomplete at the time of nomination.
- ❖ Anyone in a community may make a Community Achievement Award nomination. It is recommended, however, that nominations be made in cooperation with a local Michigan Week committee, a local chamber of commerce, a community association or a governmental council.
- ❖ Nomination forms should indicate who would receive the award on the community's behalf.
- ❖ Each nomination must be accompanied by a one-page synopsis of the project or program. Additional information, including photographs, press clippings and other supporting documents, is welcome.

Please note: Supporting materials will not be returned.
